

Demu**Rup** Media

1. About Us -

- Manifesto to be changed to “**We don't just think outside the box - we redesign it.**”
- Location to be changed to “**India → Global**”

2. Our Services -

- **Tick mark** should be removed if it does not have a specific reason on the social media management tab.

3. Contact Us -

A contact us page has to be created and a form has to be added for the clients to share their enquiries and details.

The form will contain the following -

- Name
- Brand / Company Name
- Phone / WhatsApp Number
- Monthly Marketing Budget (Dropdown)
- What do you need? (Branding / Website / Content / Ads)
- Biggest challenge right now
- Timeline

After the form make sure to mention the following -

- ❖ Line: We'll get back within 24 hours
- ❖ Add WhatsApp button
- ❖ Make this section clean and high-converting

4. Footer Section -

- Based in Maharashtra, Gujarat, Chhattisgarh & Rajasthan
- Insert our Social media links

5. Work Section -

- Integrate our **Credential Deck (shared on whatsapp)**, so that the interested ones can download the deck and see the work.
- How we work section needs to be added.

Section Title:

How We Work

Steps:

1. Audit – We understand your brand and identify gaps
2. Strategy – We create a clear growth plan
3. Execution – We bring the strategy to life
4. Scale – We optimize and grow consistently

6. Home Page -

- Insert Brand logos here(You'll get the logos from our credential shared on whatsapp)
- And add this marquee section of services b/w Our Services and Industries we cater section.
- Add a floating whatsapp button

7. LEAD MAGNET (New Section) - This section can be added on the home page as well as the contact us page

Add a section:

Title:

Not Ready Yet?

Copy:

Get a free brand audit and understand what's holding your growth back.

CTA: Get Free Audit

8. Testimonials -

Add a testimonials section where we can add 2-3 testimonials

9. Mobile Optimisation -

- Fonts are readable
- Buttons are properly spaced
- Sections flow smoothly
- Load speed is optimized

2nd Round of Changes

1. LOGO needs to be updated
2. Add more brands and keep them on a horizontal marquee which keeps moving.
3. There is a gap beside the Web design & development in the services section.
4. Our portfolio section - Download "our" Credential Deck (Add the word "our")
5. Testimonials - What our clients have to say
6. Free Offer section - Get "a" free Brand audit

7. Get in touch section -

- Your Name - example name can be something generic like Rohan Gupta.
- Brand/Company - XYZ Technology
- Monthly Campaign budget - Add a dropdown with the following range - (add a rupees symbol before each category in dropdown)
 - 20,000 or less
 - 20,000 - 45,000
 - 45,000 - 75,000
 - 75,000 - 1,00,000
 - 1,00,000 or more
- Select Timeline - Dropdown with the following -
 - Immediately
 - After a month
 - After 3 months
 - No Idea
- Change the second whatsapp number to +91 95865 69990
